The sparkly Ayr8 Plus, the pinstripe Ayrbrush, the Polocrosse and Pro II plus all come with a removable headband which also creates the size of the helmet. On each shell you can interchange the liners to create a different size.

Shell XS: 52 and 53 (Pro II Plus only)

Shell S: 54 and 55

Shell M: 56 – 59 (the harness for size 59 is longer)

Shell L: 60 and 61

Shell XL: 62 – 65 (Pro II Plus only)

Shell round: 56 – 59 (the harness for size 59 is longer)

So if you take the 56 liner out of shell M you can put a liner size 57, 58 or 59 back in to create the equivalent size
